

Thank you for registering for camp! This summer your camper/s will be participating in our nationally recognized sports-sampling program. At camp we bring *Physical Literacy* to fruition fostering *the Ability, the Confidence and Desire 2 be Active 4-1 Extraordinary Life*. If this is your first time at a 2-4-1 program, welcome to our ever-growing family.

This page is dedicated to helping you navigate your My Account in our Campminder registration system. Once you have a registered camper, you can access your My Account [here](#).

CampMinder My Account

Your “My Account” is your camp hub. Below is what you should see when you log in.

The screenshot shows the CampMinder My Account dashboard. At the top, there are links for [News](#), [My Account](#), [Help](#), and [Log Out](#). Below these is a link for [Not Jessica? Click here](#). The dashboard is organized into several sections:

- Online Community**: Contains a link for [News](#).
- Forms Dashboard**: Contains a link for [Forms & Documents](#).
- Your Camper**: Contains links for [Camper Application](#) and [Camper Information](#).
- Your Family**: Contains links for [Contact Information](#), [Financial Management](#), and [View Accounts](#).
- Your Account**: Contains a link for [Login Details](#).

In “Forms and Documents” you will find:

- MANDATORY health forms
- Additional Options Form: This is to add before/after care, lunch, and donations.

In “View Accounts” you can automatically add funds to the Canteen Account and track your child’s purchases.

In “Financial Management” you will see your balance as well as your statement. If you scroll all the way to the bottom, select the view statement to use for taxes. However it will not be updated or valid until the camp session is complete. However **you can find our Tax I.D.**

Important Notes From The Trainer

We are required by the state to have a physical from the past 3 years on record. Your child may not attend camp until it is provided. The complete PDF must be uploaded. Pages can not be added one at a time. Please check your forms and documents to make sure it says “Uploaded” next to the form. Email info@241play.org if you think the physical is not from the last 3 years. to change it. A file has not been received until you see it uploaded next to the document name.

*Below you can see the health forms that are necessary and “upload” next to the form indicating it is complete.

UPLOADING MEDICAL FORMS-Please read

The health form must be uploaded as a complete PDF. If you attempt to upload one page at a time, it will accept the first and lock you out from adding additional pages. If you are unsure how to make a PDF, two ways are listed below

1. Open the notes section on your iphone. Write a new note. At the bottom select the camera icon, then choose scan documents. You will scan each page and save it as one doc. This can then be uploaded into your My Account.
2. Photograph each page of the forms. Open a new google doc. Choose insert and then add each image individually. Once all the images are in the doc, you can go to file > download and select PDF.

If you have any additional questions about your My Account, you can reach out to info@241play.org. Please note that all camp information about drop off, pick up, what to bring, etc. will be sent prior to the start of camp.

Medication at Camp

If you are leaving medication with the trainer, you must fill out the mandatory medical form. If we do not have the form, we cannot accept the medication, inhaler, etc. Campers may not bring over the counter medication to camp (i.e. Motrin, Advil, Claritin, etc.).

An [Individual Plan of Care](#) for a child with special health care needs or disabilities must also be filled out. Any camper with a special health care need or disability (ie severe allergies (Epipen), severe hearing or visual impairments or chronic illness) will need the form.
